JEANNEAU Leader 36 Sport

159 000 € ALL TAX INCLUDED

Description

2015 Jeanneau Leader 36 Sport – 2 x Volvo Penta D4 300 – Volvo Joystick – Impeccable Condition

Superb Jeanneau Leader 36 Sport in its most sought-after configuration: twin Volvo Penta D4 300 hp engines with Volvo joysticks, a real asset for harbor maneuvers. This system allows you to pilot the boat with a simple hand movement, with exceptional precision, even in tight spaces. Unparalleled comfort and safety for both the owner and crew.

This Leader 36 has approximately 1,000 engine hours, a figure that may seem high but is actually perfectly consistent and reassuring for meticulously maintained Volvo Penta D4 engines. The boat has benefited from extremely thorough mechanical maintenance: servicing performed every 180 hours by the same mechanic, with a complete service history and supporting invoices. The heat exchangers were replaced in 2024. An engine that runs regularly and is professionally maintained is often in better condition than one that is rarely used. Here, the maintenance is constant, rigorous, and documented. The result: a mechanically impeccable vessel, ready to sail without any surprises.

The Sport version of the Leader 36 is renowned for its excellent balance between performance and comfort. With a combined 600 hp, the boat cruises comfortably at 25/26 knots and can reach a top speed of approximately 33 knots, while maintaining excellent stability thanks to its deep-V hull.

The spacious teak cockpit, electric hardtop, large forward and aft sunbeds, and generous swim platform make it an ideal boat for both family cruising and day trips.

Inside, you'll find two true double cabins, a bright saloon, a fully equipped galley,
