Description

Jeanneau Leader 33 Sportop 2020 – Seavision Version – Full Options – Twin Volvo Penta D3-220 DP – Joystick – Premium Teak – Raymarine Axiom 12 Pro

Rare on the market, this 2020 Jeanneau Leader 33 in the highly sought-after Sportop Seavision version represents an exceptional opportunity for buyers looking for a premium express cruiser combining elegance, performance, and high-end comfort. This unit immediately stands out thanks to its extensive specification, outstanding overall condition, and numerous custom upgrades carried out after delivery. This is not a standard Leader 33, but a carefully optimized owner's boat designed to maximize comfort, reliability, and enjoyment at sea. Powered by twin Volvo Penta D3-220 DP diesel engines delivering a total of 440 HP, this Leader 33 is also equipped with the factory joystick control system, ensuring smooth, precise, and safe maneuvering even in tight marinas. The Z-Drive Duo Prop transmission provides excellent performance, with a comfortable cruising speed around 24 knots and a top speed of approximately 36 knots, while maintaining efficient fuel consumption. The bow thruster, electric trim tabs, and well-maintained engine configuration further enhance ease of handling and onboard comfort. The navigation electronics have been significantly upgraded, featuring a Raymarine Axiom 12 PRO RVX chartplotter with full cartography, twin RV-212 1 kW through-hull transducers, Volvo engine interface, radar, MZ wireless chain counter, and a Raymarine EV-200 Hydraulic autopilot. This advanced setup offers a level of navigation equipment rarely found on this model. The exterior cockpit impresses with its exceptional finish quality. The teak has been fully upgraded with premium 10 mm solid teak slats across the side decks, cockpit, and swim platform. Additional custom modifications include teak integration in front of the bench seating, a redesigned
