

SALE OCCASION

SUNSEEKER Comanche 40

79 500 € ALL TAX INCLUDED

## Description

CAP MED BOAT & YACHT CONSULTING is pleased to present this 1996 Sunseeker Comanche 40, a unit from the prestigious British yard that perfectly blends timeless design, high-end comfort and legendary seakeeping. Rare on the market, this 11.90-metre sporty open comes with a tender garage, a sought-after configuration on this type of boat. The boat has been rigorously maintained and shows approximately 1,000 hours on her twin Volvo Penta diesel engines. Recent works reflect serious care: new starboard propeller, two heat exchangers replaced this year, bow thruster overhauled last year and a fully renewed tinted plexiglass windscreen. On board, the leather upholstery was redone two years ago and all cushions are fitted with custom-made fabrics. The layout offers 2 cabins, 1 bathroom and a saloon with TV. Outside, the teak cockpit features generous fore and aft sunpads, completed by an outdoor refrigerator and plancha – perfect for days at anchor. Electronics include a new Garmin GPS and an autopilot. The garage has been modified to house a specific jet ski with a winch; the jet ski is not included in the base price but can be added as an option. Ready to go to sea immediately for the season, this Comanche 40 is a rare opportunity for lovers of sporty classics with documented maintenance.
