BENETEAU Gran Turismo 36

320 000 € ALL TAX INCLUDED

Description

CAP MED BOAT & YACHT CONSULTING is pleased to present this 2023 Beneteau Gran Turismo 36, a motor yacht from the French shipyard Beneteau, offered second-hand in near-new condition. Measuring 12.41 metres overall with a 3.48-metre beam and CE certified category B8, it combines the sleek lines of the Gran Turismo range, remarkable cruising comfort and a particularly generous options package. The propulsion consists of two Volvo Penta D4-300 DP diesel engines of 300 horsepower each, totalling 600 horsepower, paired with the Volvo Penta joystick – a valuable feature making harbour manoeuvres accessible to everyone. The boat shows only 140 engine hours, an exceptionally low figure reflecting very moderate use since commissioning. The layout offers 2 cabins and 4 berths, with a bathroom fitted with fresh water electric toilets. The Comfort finish and Ambiance Pack significantly raise the level of specification: interior and exterior upholstery, Venetian blinds in the saloon, cabins and bathroom, LED lighting, saloon mirror, white lacquered doors in the galley and saloon, and a two-tone sports steering wheel. Talisman Chinchilla upholstery in Elegance version completes the ensemble. Comfort equipment is comprehensive: 49 L cockpit refrigerator, 220 V microwave, Fusion RA210 audio system with four speakers and remote control, sliding port and starboard windows, porthole mosquito screens and TV pre-installation in the saloon-galley. Outside, the Premium Foredeck pack in Elegance upholstery provides a forward sunbed with armrest, headrest, Fusion 4" speakers, cup holders, protective cover and mottled grey sun awning. The cockpit and aft bathing platform are finished in Flexi Teck scrubbed white, complemented by a gas plancha grill, black Solstis cockpit screens, a sun visor with surrounding covers and windscreen protection. The polyester bathing platform extension carries the living space out towards the sea. The helm station
