109 900 € ALL TAX INCLUDED

Description

JEANNEAU SUN ODYSSEY 349 — 2014 — 2-CABIN VERSION CAP MED BOAT & YACHT CONSULTING presents this 2014 Jeanneau Sun Odyssey 349, second hand, lying in Antibes, France. Designed by Marc Lombard, this 10.34-metre cruiser with a 3.44-metre beam offers an excellent balance of performance, comfort and easy handling — a rare find on the market in this configuration. Always meticulously maintained, she benefits from a rigorous and documented service history, ensuring a worry-free handover to her next owner. This winter the heat exchanger was cleaned, the injectors serviced and a full engine service carried out. The 20 hp Yanmar 3YM20 shows 1,163 hours and drives a folding propeller for optimum sailing performance. The sought-after 2-cabin layout provides a particularly pleasant living space on board, including a large shower room — rare on a boat of this size — and generous stowage thanks to a dedicated locker. On board: fridge, oven, heating, air conditioning, hot water, TV and CD player. On deck and for outdoor comfort: bow thruster, teak cockpit with table and cushions, bimini replaced one year ago, micro-perforated cover and new canvas covers offering both protection and a smart finish. The sails — battened mainsail and furling genoa — show approximately 50 % wear. Electronics are complete and B&G-equipped: navigation system, GPS chartplotter, radar, AIS, depth sounder, log-speedometer, wind instrument, autopilot, compass and VHF. Electrical autonomy is boosted by two 130 W solar panels and a battery charger, with shore power. A 2.70 m Bombard tender with a Suzuki 2.5 hp outboard (2014) completes the package. Renowned for her fine seakeeping, stability and ease of handling, the Sun Odyssey 349 suits day sailing as much as coastal or offshore cruising programmes. Offered at EUR 110,000 (VAT paid), lying Antibes. Contact CAP MED Boat & Yacht Consulting to arrange a
