Description

BENETEAU GRAN TURISMO 34 – 2012 CAP MED BOAT & YACHT CONSULTING is pleased to present this 2012 Beneteau Gran Turismo 34, a pre-owned express cruiser from the French shipyard Beneteau, available to view in Six-Fours-les-Plages. The youngest member of the Gran Turismo range, she stands out for her sleek styling, refined finish and engaging handling, thanks to her patented AirStep® hull. The boat has 840 engine hours. With an overall length of approximately 10 metres and a beam of 3.35 metres, and CE Category B certified for 8 people, the GT34 combines real sailing enjoyment with generous cruising comfort for her size. The AirStep® hull creates an air-cushion effect beneath the hull, delivering quick planing, controlled fuel consumption and excellent seakeeping, even in rough seas. The layout offers two separate cabins, making proper family or friends' cruises possible. The cockpit features a large U-shaped seating area for 6 people, convertible into a sun pad, and sheltered by a rigid hardtop with sunroof. A summer kitchen with fridge, plancha grill and sink completes the outdoor living space. The head compartment is fitted with an electric toilet and a hand-held shower. Boat in her original configuration with no additional options: a standard GT34, true to the spirit of the model. Standard configuration, well maintained and located in Six-Fours-les-Plages: this Gran Turismo 34 is an excellent opportunity to enter the Gran Turismo range at an accessible price point. Price: on request Viewings by appointment in Six-Fours-les-Plages
