Description

JEANNEAU CAP CAMARAT 10.5 WA — 2018

CAP MED BOAT & YACHT CONSULTING is pleased to present this 2018 Jeanneau Cap Camarat 10.5 WA, a walkaround from the French shipyard Jeanneau. She is pre-owned and can be viewed afloat in Six-Fours-les-Plages. Particularly well equipped and maintained with great care, she combines the versatility of the walkaround concept with real coastal cruising comfort.

She is powered by twin Yamaha 350 hp AETU outboards with only 230 hours. These engines are known for their reliability, robustness and perfect suitability for the Cap Camarat 10.5 WA. Maintenance has been followed rigorously, with a full service carried out in March/April 2026, invoices available.

The accommodation includes a bathroom with an electric toilet and a holding tank, plus a new fresh-water hand shower and a water heater. Onboard comfort is complete: two refrigerators, a cooker, cockpit lighting and courtesy lighting, cockpit cushions and protective covers for the upholstery.

The electrical installation has been reinforced: two new house batteries from July 2026, 140 Ah each, deep-cycle, a battery charger, shore power, 220 V sockets and a 12 V circuit, complemented by the addition of several USB sockets and a cigarette-lighter socket.

Outside, teak deck, teak table, and a T-Top with a sliding stainless-steel visor that stores directly under the T-Top in its dedicated storage sleeve. Bow thruster,
